Mr. Sumner Healey
686 Lexington Avenue
New York City.

Dear Mr. Healey:

I beg to acknowledge the two photographs of your collection of Washington medals that you sent to us several days ago. We notice among them several that are rare and congratulate you on possessing them. It may interest you to know that we have on exhibition a selection from our own Cabinet of Washington medals and have put on exhibition in two other places a selection of Washington medals.

You have one piece, a brass shell, in the lower right hand corner of the page that is extremely rare. We thought we had the only one. This piece was made for a drawer pull.

Very truly yours,

HW:JG
